

Upcoming Scout Workshops

We are working to help offer more opportunities for scouts to learn about numismatics (coin collecting).

This includes activities for Cub Scouts, Boy Scouts and Girls Scouts of all ages.

Information about upcoming workshops can be found by clicking on the link to the left with the workshop you are interested in.

In the Pacific Northwest, the next opportunity we have planned will be October, 2010 in Portland. Please contact me coin2009@collect3.com to let me know if you might be interested in this, or organizing something sooner (which we can definitely do!)

Please let us know if you have any suggestions for workshops in the Pacific NW - coin2009@collect3.com.
